

KE Gel from Kegel8 is formulated to make your kegel exercises more effective and comfortable. This water based formula helps to maximise the comfort and results of your electronic pelvic exerciser, creating a moist environment for better connectivity between your probe and your muscles.

DIRECTIONS FOR USE:

Apply as much gel as you want on the body parts you want and repeat as often as you like. Before using this gel on a regular basis, apply a small amount to your forearm. If an allergic reaction occurs, discontinue use.

WARNINGS & SAFETY:

Store in a cool dry place. Keep out of reach of children. If in eyes, rinse immediately with clean water. In the unlikely event that irritation occurs, stop use immediately. If irritation persists, seek medical attention.
