Kegel Exercise Gel

KE Gel from Kegel8 is formulated to make your kegel exercises more effective and comfortable.

This water based formula helps to maximise the comfort and results of your electronic pelvic exerciser, creating a moist environment for better connectivity between the probe and your muscles.

Directions for use:

Apply as much KE Gel as you want on the body parts you want and repeat as often as you like. Before using the KE Gel on a regular basis; apply a small amount to your forearm. If an allergic reaction occurs, discontinue use. Keep out of reach of children. Store in a cool dark place.

Best before use/Batch number:

See package.

Ingredients:

Aqua, Glycerin, Hydroxyethylcellulose, Citric Acid, Potassium Sorbate, Sodium Benzoate

How to order KE Gel:

KE Gel is available in 10ml individual sachets and a 50ml pump-action bottle. To reorder please visit www.Kegel8.co.uk or call + 44 (0) 1482 496 932 or contact your local Kegel8 supplier directly.
